

**EXPLICACION DEL MODELO**

Composición modular de aire chillout y volúmenes redondeados. Las líneas de Duo quedan muy depuradas porque sus almohadas de asiento y respaldo están integradas en la base.

Duo tiene una amplia sentada, por ello resulta una pieza idónea para llenarla de cojines de decoración o incorporar almohadas de respaldo extra.

La variedad de módulos que ofrece este modelo (módulos con brazo y sin brazo, módulos terminales, sillón, ángulo y puf), lo hace polivalente para diversos ambientes.

La unión de módulos se realiza mediante carracas.

Tapizable en tela o en piel sintética, todas sus composiciones son totalmente desenfundables en tela.

**IMPORTANTE**
