Sketch Side Table

2020

The Sketch Side table is an homage to the importance of sketching when designing: Where any line or unusual shape can lead you into a different direction or give you a new solution. One sketched line is extruded into a metal base and a circular top is attached to it. The base is available in any metal finish or RAL colour. The top is available in metal, wood or marble.

Bent steel sheet. Top can be metal, lacquered wood or stone.

50 x 37 x 33 H cm
