

Name: LÁMPARA XVIII

Design: Joana Bover / 2008

Typology: Pendant lamp

Environment: Indoor

Technical description:

Pendant lamp with iron structure coated in grey silverchrome finishing or brown graphite-nickel finishing. Pendant has two lighting positions, allowing for reduced diffusion of light. Height is adjustable via tensor wires fitted through interior ball-and-socket joints. Silver and transparent wire connections available. Various lamp shade options are available: fifteen rectangular lamp shades in white classic cotton, or white, cream, and red translucent hand wrapped polyester blend ribbon, or eighteen cone shaped lamp shades available in classic cotton, or cream, white, or red translucent hand wrapped polyester blend ribbon. Only fixture finishing is customizable.
