

Features

- Single lever handle allows control of up to three separate components to six different output options.
- Trim only; requires K-728-K or K-737-K MasterShower 2- or 3-way transfer valve (sold separately).
- Coordinates with other products in the Archer collection.

Material

- Premium metal construction for durability and reliability.
- KOHLER finishes resist corrosion and tarnishing.

Installation

- Patented K-joint installation technology ensures consistent trim appearance, regardless of variability in valve rough-in (included with trim).
