art. KALLA LCP 01

Lavabo centro stanza in pietra composto da un unico massello (scarico a pavimento) completo di piletta in pietra, sifone e tubo flessibile per scarico universale.

Free standing washbasin in natural stone, obtained from a single excavated solid, complete with plug in natural stone and flexible siphon for universal drainage.

Consigliato un pozzetto ispezionabile sifonato
We suggest to apply an inspectable shaft into the floor
