

## DOWNLIGHT EMPOTRABLE – LED

Anillos de luz de aluminio y difusor de metacrilato, empotrables de diferentes diámetros de gran versatilidad, con tecnología LED .

## DOWNLIGHT RECESSED– LED

*Rings of lights with LED technology. Versatile original compositions combining different available diameters. Recessed aluminium fitting with pmma diffuser*

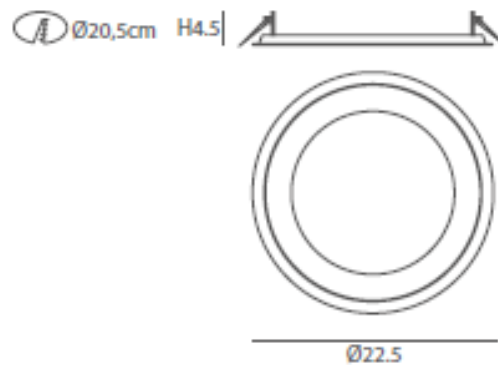

REF.  
1624

DOWNLIGHT  
IP43ext IP20int

MATERIAL  
Aluminio y metacrilato /  
*Aluminium & PMMA*

ACABADO / FINISH  
Bisel blanco mate / *Matt white frame*  
Difusor satinado / *Satinated diffuser*

INSTALACIÓN / INSTALLATION  
- PCB-LED 20W 700mA  $\text{V}$   $\text{P}$   $\text{LC}$   
Cálida / *Warm 3000K 1413lm*  
Neutra / *Neutral 4000K 1478lm*

### LUZ NEUTRA - NEUTRAL LIGHT

Se indentifica con una  
**N** delante referencia

*Indicate **N** before the  
reference number*

### LUZ CALIDA - WARM LIGHT

Se indentifica con una  
**C** delante referencia

*Indicate **C** before the  
reference number*
