

# FLAT \_ piani lavabo integrati e sottopiano / console with integrated and undercounter washbasin

FLAT è un programma di piani a misura con lavabi integrati e sottopiano. I piani sono proposti in profondità 48 e 55 cm. In dotazione staffa in acciaio con doppia regolazione per fissaggio a muro. Con il lavabo integrato, piano e lavabo sono continui senza saldature. FLAT è disponibile in Corian e Makril nella versione con lavabi integrati e vetro colore ed ecocemento con lavabi sottopiano.

FLAT is a program of made-to-measure consoles with integrated and undercounter washbasins, available in depth 48 and 55 cm. They are provided with double regulation steel brackets for the wall mounting. If with integrated washbasin, the base and the console do not have any welding.

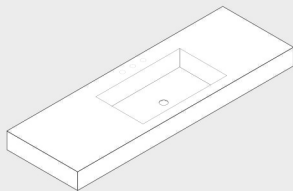

With integrated washbasins the consoles are available in Corian and Makril, with undercounter washbasins the consoles are in colored glass and in eco-cement.
