IMPORTANT:

- To ensure this product is installed properly, you must read and follow these guidelines.
- The owner/user of this product must keep this information for future reference.
- This product must be installed by a professional licensed contractor. Be sure your installation conforms to all federal, state, and local codes.
- This product must be on-site prior to rough-in. This allows the installer to visualize the installation and verify dimensions.
- Do NOT use putty during this installation.*

INSTALLATION:

1. Using the cutting template provided cut an opening on the mounting surface.
2. Apply a continuous bead of clear adhesive silicone to the bottom shoulder of the sink. Do NOT use putty.*

3. Place the sink onto the mounting surface. Make sure to quickly wipe away any excess silicone and allow the silicone to set.
 4. Install the drain (not supplied) following the manufacturer's instructions.
 5. Make all necessary supply, trap, and drain connections then turn the water on and check for leaks.
- If further assistance is required, please contact Product Support at 1-800-927-2120 Monday through Friday, 8am - 6pm EST.
- * Putty contains oil and can cause permanent discoloration on certain materials such as marble, granite and any porous surface.

These guidelines have been prepared for the professional contractor to aid in the installation of:
STEN OVAL STONE VESSEL SINK (STYLE No. SELV01).
All dimensions are based on original specification and are subject to change and variation.
Please consult your Design Associate for current specifications.
