

Cinto

"Cinto" Diseñada por Santiago Sevillano para Mantra. Cinto es un juego de contrastes formales entre la linealidad de la luz y la curvatura de sus uniones metálicas que le otorgan un carácter elegante y atemporal ideal para decorar cualquier ambiente sin perder su funcionalidad como elemento de iluminación gracias a la cuidada disposición de las fuentes de luz led.

"Cinto" has been designed by Santiago Sevillano for Mantra. Cinto is a set of contrasts between the linearity of light and its arch of metallic joints, which deliver an elegant and timeless character. It is ideal to decorate any atmosphere, without losing its functionality as a lighting fixture, thanks to the careful arrangement of LED illumination.
