

The background features several overlapping, hand-drawn white outlines of coffee tables. The shapes are fluid and organic, with varying lengths and curves, suggesting a collection of different table designs. The lines are thin and consistent in weight, creating a minimalist and artistic aesthetic.

2020

The Laghi Coffee Tables are a group of low coffee tables, each in the shape of a body of water and inspired by the peacefulness and beauty of the Lake District in United Kingdom. Each table is topped with a polished piece of steel to symbolise the reflections on water, however this piece can be in any of our standard metal finishes. Smooth curves from the top down to the base add to the idea and aesthetic of flowing water and peacefulness. The base can be lacquered in any RAL colour and the tables are available as individuals or as a complete set and are available without the metal.

Lacquered wood base (matte or high gloss). 2mm metal top (optional). Felt glides.

Small 69 x 60 x 30 H cm  
 Large 84 x 50 x 30 H cm  
 Medium 125 x 85 x 30 H cm
