# Pangea Coffee Table

2021

Two coffee tables with only one leg each make up the Pangea Coffee Table. It's monolithic forms make it a fascinating and eye-catching addition to any room. The tables support each other in a way that would not be possible if they were apart, giving the name Pangea. The smaller table of the two can be carved to create a smooth, convex surface.

*Solid wood coffee table available in different wood finishes. Hidden connection between the two tables.*

130 x 75 x 30 H cm
