INSTALLATION GUIDE

IMPORTANT

Thank you for choosing Merlyn. Please familiarise yourself with the fitting instructions before commencing fitting.

1 Check that you have the tools required ☐
2 Check that the installation site is compatible with size of door supplied ☐
3 Check all the enclosure components ☐
4 Check that the installation kit is complete ☐

DO NOT attempt to install the product unless you can tick **ALL 4** boxes as satisfactory.
The wall plugs supplied with the installation kit are for use in solid walls. Hollow or ‘stud - partition’ walls will require alternative fixings. Please consult a hardware supplier for the correct type.
It may also be necessary to consult your tiling supplier about the correct method for drilling your tiles.

USE SAFETY EYEWEAR WHEN DRILLING

Any parts missing or damaged must be reported to your supplier within 5 days of purchase.
Inspect shower enclosure before fitting. No claims will be accepted after product has been installed.

Mershield IONIC SHOWERING

Stayclear Glass Protection

This glass is “Easy to clean”.

Mershield Stayclear coating is pre-applied on the inside glass to help prevent the build-up of lime scale and soap deposits making the shower glass easier to clean!

Available on all
Ionic Express, **Essence** & **Wetroom** ranges.
