KUBE

La combinación de distintas estructuras de bloques cúbicos de madera con un acabado en roble natural, hacen de KUBE el modelo perfecto para sentirse en armonía con la naturaleza. Los difusores de metacrilato óptico distribuyen la luminosidad de sus LEDs.

KUBE

Fresh and unique block structures made of plywood with a natural oak finish. KUBE enhances design concept by harmonizing with warmth of Nature. Optical pmma diffusers to spread and improve LED performance.
