

## WASTEPAPER BINS GW06 02 03 00 Pedal bin 5L

### Product description

Pedal bin with lid  
Plastic interior receptacle with handle  
Material: Carbon Steel  
Matt black epoxy finish  
Capacity: 5 liters

### Technical specifications:

Pedal operated, tip-open wastepaper bin 5 liters. The product consists of a main body, a lid and an interior receptacle. The main body, manufactured with carbon steel sheet, includes in its front part the pedal to swing the cover. The lid, manufactured with carbon steel, includes in its rear part a hinge which is activated with the front pedal making the lid swing. The interior receptacle, manufactured with black color thermoplastic ABS, includes a steel handle for its removal. The assembled unit has a matt black epoxy finish that ensures adequate resistance to corrosion. The total dimensions of the product are 284 x Ø203 mm. The reference is GW06 02 03 03, manufactured by GENWEC WASHROOM, S.L. - Av. Joan Carles I, 46-48- L'Hospitalet de Llobregat, Barcelona (Spain). [www.genwec.com](http://www.genwec.com).
