

**BALANCE™ BENCH**

PRODUCT DATA

# BALANCE™ BENCH

PRODUCT DATA

The **Balance Bench** is an elegant and durable public seating solution perfect for a wide range of environments. Bold and beautiful in form, the cantilever frame is constructed of rustproof solid cast aluminum. Seats are made from corrosion-resistant stainless steel. Available in backed and backless versions, the Balance Bench is ideal for transportation centers, campuses, municipal spaces or any setting where robust construction and superb design are priorities.

## MATERIAL & CONSTRUCTION DETAILS

FRAME	SEAT	ARMRESTS	INSTALLATION
<ul style="list-style-type: none"> <li>Frame is made of solid cast aluminum with powdercoat finish.</li> <li>See the Forms+Surfaces Powdercoat Chart for details. Custom RAL colors are available for an upcharge.</li> <li>Due to the inherent nature of metal castings, gloss powdercoats are not offered for cast components.</li> </ul>	<ul style="list-style-type: none"> <li>Seats are formed from stainless steel sheet with 1.2" (30 mm) hexagonal perforations.</li> <li>Seats come in two standard stainless steel finishes, Sandstone and Satin, or can be powdercoated.</li> <li>See the Forms+Surfaces Powdercoat Chart for details. Custom RAL colors are available for an upcharge.</li> </ul>	<ul style="list-style-type: none"> <li>All benches have two armrests that are integral parts of the frame end castings.</li> </ul>	<ul style="list-style-type: none"> <li>Balance Benches must be surface mounted. Anchors and stainless steel mounting screws are included.</li> </ul>
		<b>OPTIONAL SEAT DIVIDERS</b> <ul style="list-style-type: none"> <li>One or two optional seat dividers per bench are available for an upcharge. Seat dividers are solid aluminum and are powdercoated to match the frame.</li> </ul>	<b>MAINTENANCE</b> <ul style="list-style-type: none"> <li>Metal surfaces can be cleaned as needed using a soft cloth or brush with warm water and a mild detergent. Avoid abrasive cleaners.</li> </ul>

## STAINLESS STEEL SEAT FINISH OPTIONS

Sandstone is a High-Durability finish, designated by the "HD" logo below, and is manufactured in a process that creates a work-hardened surface with enhanced resistance to abrasion and wear.

Seat divider(s)	Custom RAL powdercoat color
Premium Texture Colors from Forms+Surfaces Powdercoat Chart	

**LEAD TIME:** 6 to 8 weeks. Shorter lead times may be available upon request. Please contact us to discuss your specific timing requirements.

**PRICING:** Please contact us at **800.451.0410** or **sales@forms-surfaces.com**. At Forms+Surfaces, we design, manufacture and sell our products directly to you. Our sales team is available to assist you with questions about our products, requests for quotes, and orders. Territory Managers are located worldwide to assist with the front-end specification and quoting process, and our in-house Project Sales Coordinators follow your project through from the time you place an order to shipment.

**TO ORDER SPECIFY:** Quantity, model, powdercoat color for frame castings, stainless steel finish or powdercoat color for seat, number of seat dividers. Quote/Order Forms are available on our website to lead you through the specification process in a simple checkbox format.

**NOTE:** Because different computers, monitors and printers render colors differently, actual colors will vary slightly from those shown here.
