

CITRUS™ TABLE

PRODUCT DATA

CITRUS™ TABLE

PRODUCT DATA

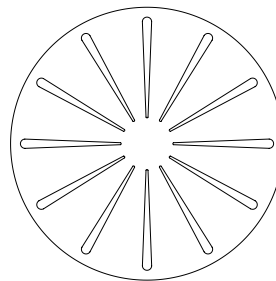

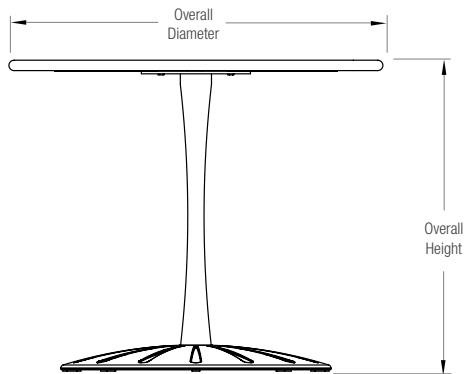

Citrus Tables are a versatile match for indoor and outdoor spaces. The table's graceful detailing gives it a light, airy feel, while its hard-working materials and finishes stand up to high-traffic daily use. Stainless steel table tops feature the line's namesake Citrus pattern, either as a perforated design or as a pattern created using our eco-friendly Eco-Etch® process. Powdercoated aluminum bases continue the Citrus motif. Hourglass-shaped aluminum columns connect the two. Rounding out the gathering options: Citrus Tables coordinate beautifully with our Avivo, Factor, and Vista Chairs.

MATERIAL & CONSTRUCTION DETAILS

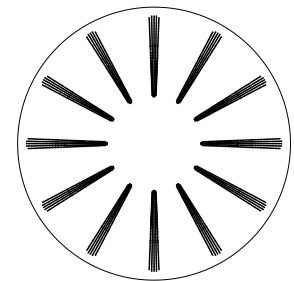

INSTALLATION & MAINTENANCE

TABLE TOP FINISHES & PATTERNS <ul style="list-style-type: none"> Stainless Steel table tops are available with Sandstone, Seastone, Diamond, and Satin finishes. Sandstone and Diamond finishes are not applicable for table tops with Eco-Etch Citrus pattern. The Citrus pattern is available in a solid shape using Forms+Surfaces' Eco-Etch technology or as a perforated design. Perforated table tops may be specified with a powdercoat finish for an upcharge. Powdercoat not applicable for table tops with Eco-Etch Citrus pattern. 	COLUMN <ul style="list-style-type: none"> Hourglass-shaped columns are made of formed aluminum and feature a radial Satin finish with clear powdercoat. 	INSTALLATION <ul style="list-style-type: none"> Citrus Tables can be freestanding or surface mounted. Surface mounted models are threaded into a drop-in anchor and include stainless steel mounting hardware.
BASE <ul style="list-style-type: none"> Bases are made of corrosion-resistant solid cast aluminum with a powdercoat finish. See the Forms+Surfaces Powdercoat Chart for details. Custom RAL colors are available for an upcharge. Due to the inherent nature of metal castings, gloss powdercoats are not offered for cast components. 	UMBRELLA HOLE <ul style="list-style-type: none"> Table tops may be specified with or without a center hole to receive a 1.5" (38 mm) - 1.75" (44.5 mm) diameter umbrella pole. When an umbrella hole is specified, a nylon collar and cap are included. 	MAINTENANCE <ul style="list-style-type: none"> Surfaces can be cleaned as needed using a soft cloth or brush with warm water and a mild detergent. Avoid abrasive cleaners.
