WARRANTY

All IB Rubinetterie SpA products are warranted for 10 years from the date of purchase, for the following cases:

- Defects of casting, porosity and chrome plating.
- Operating defects caused by incorrect fabrication.

The warranty provides for repair or replacement of products with fabrication defects recognized by our technical office. There is no other type of compensation and the merchandise must be returned FOB our warehouse. The warranty only covers surface defects (scratches, dings, etc.) on fittings that have not been installed and used, returned in its original packaging with all components. O-ring, gasket seals and components subject to wear proportional to use are warranted for 2 years.

The warranty is void in the following cases:

Error installing and putting the product into service.

Deterioration of finished surfaces due to use of cleaning products containing acids or abrasive substances.

Deterioration of surface with finishes other than chrome plating. Their durability is, in fact, dependent on the user's care and gentleness of use.

Deterioration of the fitting due to incorrect installation.

Improper repairs and maintenance performed without the company's prior authorization.

The warranty from IB Rubinetterie SpA is not renewable.

Cleaning

We recommend cleaning the finish surfaces with water and soap, using a soft cloth.

Do not use detergents that contain hydrochloric acid or abrasive substances.
