

### Description

Alfa Essential is a free-standing bathtub, manufactured using Scene®. The Alfa series has been created for modern bathroom environments, with straight lines and minimalist aesthetics. With the colour option, on the Bathtub's exterior, we can expand (broaden) the integration options with the rest of the bathroom's elements. The possibility of incorporating different Totem options facilitates faucetry installation.

### Formats

164x65x44h

142x142x48h

### Material

· Scene®. A solid, homogeneous material with a renewable surface

### Surface finish

- Smooth texture
- Matt finish

### Colour

WHITE
