PROGRAM

hidrobox®

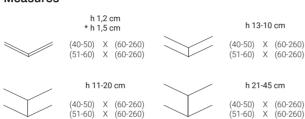

Description

Freestanding washstand with integrated basin/s to choose from among many designs, made of Scene solid surface, a compact material based on resin and mineral fillers. Personalized design and endless possibilities of realization. A wide range of measures available with formats up to 60 cm in width, 260 cm in length and 45 cm in height. Availability of special shapes and other options such as shelves, hanging tops, drawers, splashbacks and towel rails. Elaborated in smooth texture and in pure white matt color.

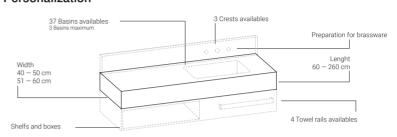

Measures

* 1,5 cm for lenghts over 221 cm
