Our Premier dining chair - built and finished by hand. All rush seats on our top of the Range Chairmans chairs are hand rushed to fine detail. The rush seats are routinely darkened down to emulate the wonderful aged appearance of these chairs.

The Chairmans Collection is available in the full range of colours and have enhanced finishing as routine. However, the recommended colours are often perceived as more traditionally akin to the antique original.

Available in light, medium or heavy distress.

There is a 10% upcharge for heavy distress.
