

## **Antique Console Table**

Our bespoke antique timber products are truly one-of-a-kind pieces that reuse antique timber by reconstructing them into tops for tables, servers, consoles, and more!

Our bespoke process involves the customer on every level; from deciding the dimensions of the piece, to choosing the finish. Our current antique timber selection also allows the customer to select the type of leg. You can choose from Taper, Turned, Basque, or Rounded legs.

Please contact our team for more information on these bespoke products, and to start your bespoke journey.
