

PRISMA SMOKE PUMP DISPENSER - POLISHED CHROME

This brilliant vertical pattern is created with mouth-blown, hand-cut crystal. Artisans finish each piece with a subtle, hand-applied tint of translucent gray that is fired onto the crystal in a meticulous process. The soap dispenser is trimmed in polished chrome. Made in Italy. Please be aware that tiny bubbles may randomly appear within an item. This is part of the handmade nature of our production and is not considered defective.
