

The image features a minimalist line-art illustration of a side table against a black background. The table has a tall, slender, double-lined stem that supports a wide, shallow, oval-shaped top. To the right, a second table is partially visible, showing its stem and a similar top. The overall design is clean and modern.

Orion  
Side Table

SECOLO

# Orion Side Table

2019

The 3 kings of Orion's belt: offering 3 different heights and sizes of brushed metal disc, the combination of which provides a practical and sculptural side table. Orion is available in a number of metal finishes including satin and polished options.

*Steel construction with brushed and radially brushed finish on the trays.*
