

# PLANTERS: PLANTER BOX E BIG BOX

| Categories: [PLANTERS](#), [URBAN DESIGN](#)

## PRODUCT DESCRIPTION

### Planter Box

The planter box small is made in steel 40/10 thickness. On the bottom of the planter 2 drain pipes, made in tubular steel, section 16X2 mm, H 50 mm are welded. For the fixing to the ground through specific bolts (not provided) there are 4 holes 12 mm diam.

### Planter Box Big

The planter box small is made in steel 40/10 thickness. On the bottom of the planter 2 drain pipes, made in tubular steel, section 16X2 mm, H 50 mm, are welded. For the fixing to the ground through specific bolts (not provided) there are 4 holes 12 mm diam.

For the realization of this product made in Italy, Steel EN10111DD11 is used and later treated with a cycle of sandblasting, cataphoresis and powder coating. Such cycle is meant to guarantee the protection of the painted products, in an environment of C4 corrosion class, as requested by the UNI regulations EN ISO 12944-2. The products are eventually polyester-powder coated with RAL colours at choice.

As an alternative to steel EN10111DD11, the production in corten is also available, on demand. In this case the material is treated with a specific oxidation process.

### Max Dimensions:

#### BOX:

Height: **650 mm**  
Length: **650 mm**  
Width: **650 mm**  
Capacity: **250 lt**  
Weight: **84 kg**

## BOX BIG:

Height: **650 mm**  
Length: **1100 mm**  
Width: **650 mm**  
Capacity: **425 lt**  
Weight: **118 kg**
