Beetle Bench

2021

The Beetle bench is a soft and inviting bench perfect for a living space, bedroom or hallway. The unique shape of Beetle is where it takes its name, finished with only a large seam down the middle of the piece making it seem like two separate halves which have come together. The upholstered elements sit atop four wooden feet.

Wood internal structure with non deformable foam in different densities and polyester fibre layer. Feet supporting bench made from solid wood. Felt glides.

154 x 49.5 x 41 H cm
