Ribbon Basket

BY NORM ARCHITECTS

A modern storage solution with a traditionalist feel, the Ribbon Basket contrasts sleek powder coated steel with soft, inviting curves. Crafted with precision, vertically positioned metal strips are formed into a gently rounded lip that makes it easy to carry the basket from room to room. Cushioned on the bottom with tonal leather for an exclusive feel and elevated on silicone feet for stability and protection, it adds instant graphic appeal to a room, as a practical and decorative home for magazines, home textiles, accessories and more.
