

DURANGO SB/B PUMP DISPENSER

To produce these stunning solid bronze accessories, we have collaborated with the bronze specialists at Rocky Mountain Hardware. In their foundry in Idaho, artisans cast each piece by hand. This collection is produced with golden-toned Silicon Bronze and enhanced with Rocky Mountain's signature brushed finish. Over time, bronze will develop a distinctive patina which can be enjoyed or brightened with polishing. Made in the USA. Durango bronze items are made to order and are not eligible for return. ALLOW 10 - 12 WEEKS FOR PRODUCTION.
