The Pop chair is a lounge chair imagined in its most simple form. Isolating the seat and the back and connecting them with a single metal piece.

The clean profile is striking in its simplicity as well as allowing it to slip seamlessly into elegant interiors. The whole chair has a metal base that continues from the backrest. The backrest is designed to allow a small amount of flex for added comfort.

Pop chair is available in a number of different materials, finishes and combinations.

Wood internal structure with non deformable foam in different densities and polyester fibre layer. Bent steel back and base with a brushed or polished finish. Felt glides.
