Consumer benefits

- MINIMALIST LINES: Delicate design blends harmoniously with all bathroom styles and matches all the ranges.
- ENHANCED NO-SCALD SAFETY: Maximum temperature 50°C and water automatically shuts off in case cold water is cut off.
- WARM BODY SAFETY: Hot water passageways are insulated at the rear of the mixer to avoid the risk of getting burned on the surface coming into contact with the skin.
- PRACTICAL FOR DAILY USE: Ergonomic handle with built-in diverter for easy adjustment, even with wet or soapy hands.
- OPTIONAL SPACE SAVING SHELF: Add a textured, anti-slip shelf for daily items. Easy to mount and remove for cleaning. Order with E24315-NF or standard on E21767
- COMFORT : Thermostatic cartridge with extra-fast control ensuring constant water temperature, highly-accurate adjustment and selected temperature reached rapidly. Stop indicates comfort temperature (37°C).
- GUARANTEE OF HIGH QUALITY: Polished chrome finish guaranteed 10 years. Mechanisms guaranteed 5 years. Metal handles.

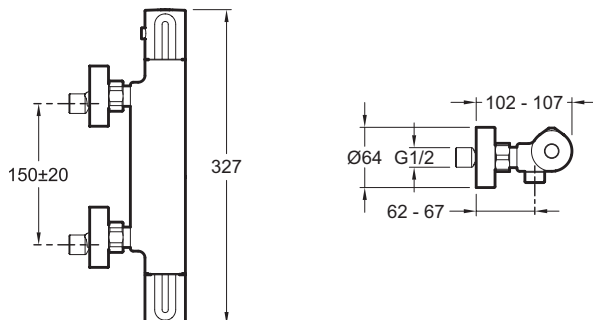

Installation benefits

- HOT WATER HEATER COMPATIBILITY: Compatible with all water heaters of at least 18 kW.

Optional products

- E24315: Anti-slip shelf
