FRANCESC RIFÉ

Sofá modular diseñado por Francesc Rifé.  
Su esencia es la tarima sobre la que se apoyan los cojines, simbolizando un palé sobre el que se han dejado caer sacos. La colección la componen distintos elementos, como la chaise longue o los puffs.

*A modular sofa designed by Francesc Rifé.  
The essence of the suite is represented by the platform supporting the cushions, symbolising a pallet on which sacks have been dropped. The collection is made up of various elements, such as a chaise longue and puffs.*
