Consumer benefits

- Energising, relaxing or draining massage: Excellence system. Enjoy all the invigorating benefits of a water massage and turbo blower stimulating the muscles, followed by a deeply-relaxing air massage. It includes a draining massage that promotes blood circulation on the upper layers of the skin, driving the massage like a wave from feet to back. It also helps relieve heaviness in the legs. The waterfall headrest gently relaxes the neck and spine, keeps the upper body warm and eases away the day's stress.
- **STYLE:** Contemporary design with soft, fluid lines.
- **BATHING ENJOYMENT:** Space-saving bath with comfortable bathing
- **BATHING ENJOYMENT:** Double-ended back for two-person bathing.
- **MADE IN FRANCE :** Our whirlpool baths are manufactured in our plant in Troyes
