

The image features two line-art illustrations of the Archi Sofa against a black background. The top illustration shows a three-seater sofa with a curved backrest and a central console. The bottom illustration shows a two-seater version of the same sofa. The lines are white and minimalist, capturing the geometric and curved forms of the furniture.

A modular sofa designed as a response to a staple of Romanesque Architecture.

Designed to subtly explore the contrast between the inside and outside of a sofa, the outer sides are square and sharp, whereas the inside corners are smooth and curve inwards, inviting you to enjoy the comfort of the soft velvet.

The simple form of Archi Sofa allows it to complement any interior effortlessly.
