New lamps by
Jaime Hayón
América

Designer
Jaime Hayón

Producer
Metalarte

Description

The collection was born to integrate a light on a side table. Hence, arose the concept of America. Created to be positioned between two armchairs or beside a sofa because of its side table function. This is a design that is characterized by its usefulness as it can be used both as a domestic contract product.

Technical Details

The model consists of a base America (60cms x 40cms) polyurethane expanded, with a lacquered finish in white or black. On the base rises a metal stem. The dimmer is located at the rear of the base. The shade may be white or black, lacquered or translucent Chinz.

Light source

E-27 Max. 2x100W

Designer

Jaime Hayón was born in Madrid in 1974. His career has taken him all round the world, to cities such as Los Angeles, Paris and Hong Kong, and Treviso (Italy), among others.

Jaime Hayón's work has transcended the barriers between two worlds that have always been apart: art and design. Thus he has created a style of his own. Multitalented creator as he is, Jaime Hayón has worked in a variety of areas, including restoration, fine arts and design.

Americas, Bastone, Josephine mini and Las Santas are fruit of the agreement on exclusivity (regarding to the lamp design) between Jaime Hayón and Metalarte. Jaime Hayón new collections will come over the following months.
