

RDZ
Book

Abbiamo raccolto in queste pagine le immagini di alcuni nostri impianti di riscaldamento e raffrescamento a pavimento e a soffitto realizzati in edifici di ogni tipo, nuovi o in ristrutturazione, del settore residenziale, terziario, industriale.

Per un comfort ottimale, in ogni ambiente, in tutte le stagioni.

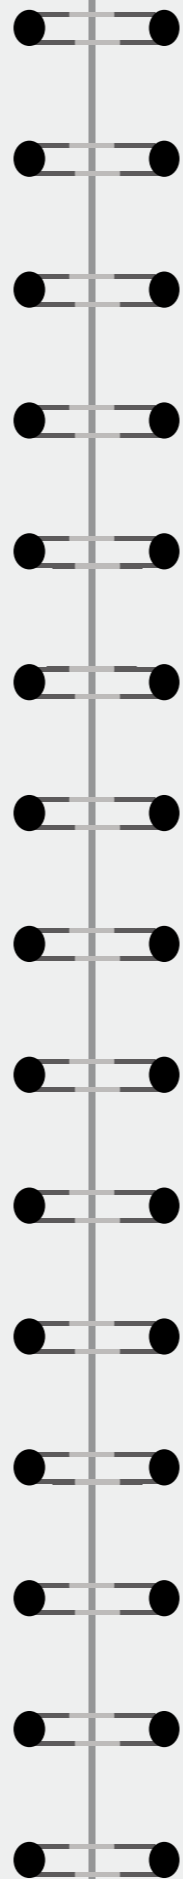

In the next pages we have collected some pictures of our heating and cooling systems for floors and ceilings which we installed in different kinds of buildings, new or renovated ones, in residential, commercial and industrial applications.

In order to ensure top comfort in any environment all year round.
