“Spice up your space”

FORMITURA is a place where effortless style meets intelligent design. Comfortably soft and lightweight, each design is made in Italy, using polyurethane foam and polyethylene.

The CANDYLAND Collection is designed by multi-award winning rug designer Esti Barnes.

MARSHMALLOW, PEARDROP, GINGERBREAD AND SUGARPLUM are colourful, fun pieces to be used as stylish casual seating

SUGARPLUM includes a hidden storage space containing a removable 'bucket' that can be used as either an extra seat or a table.

Not just for kids, CANDYLAND will look equally at home in living rooms, bathrooms or beside your swimming pool.

Let's not forget spaces like hotel lobbies, guest rooms, spas, schools, day care centres, public places like libraries, waiting rooms – the list is endless.

CANDYLAND brings fun and colour to any setting...
