## TIMELESS

Melissa e Massimo, dopo un proprio personale percorso di lavoro nel campo dell'illuminazione e del design d'interni, si uniscono e fondano nel 2013 VeniceM.

Ogni oggetto è ideato e pensato per dare un forte segno di riconoscibilità alla collezione VeniceM. Le forme semplici e la chiarezza nell'uso dei materiali sono contraddistinti dalla continua ricerca e la cura nei prodotti.

L'utilizzo di materiali nobili, l'ossidazione dell'ottone, l'imperfezione-perfezione del vetro, sono tra di loro combinati per dare forza ad oggetti "senza tempo".

Melissa and Massimo, after their own personal path in the field of lighting and interior design, joined together and founded in 2013 VeniceM. Each object is designed and created with the purpose of giving a strong sign of recognition to VeniceM collection and brand.

Simple forms and clarity in the use of materials are distinguished by the continuous research and product care.

The use of noble materials, brass oxidation, imperfection and perfection of glass are combined together to give strength to "timeless" objects.
